

THE NINTH IEEE SYMPOSIUM ON COMPUTERS AND COMMUNICATIONS (ISCC'2004) Alexandria, EGYPT, June 28 - July 1, 2004

ISCC 2004 Tutorial Schedule June 28, 2004		
8.30-12.00 p.m.	Tutorial 1: The Future of Telecommunications: Technologies and Disruptions	Tutorial 3: Internet Network and Service Management
12.00-1.30 p.m.	Lunch	
1.30-5.00 p.m.	Tutorial 5: Voice Transmission over IP Networks (VoIP)	Tutorial 6: Project Management for Telecommunications Services

Special Events and Meetings	
June 28, 7.00-9.00 p.m.	Welcome Reception
June 29, 5.30-7.30 p.m.	Advisory Council Meeting Steering Committee Meeting
June 30, 7.00-10.00 p.m.	Banquet/Dinner
July 1, 5.00-7.00 p.m.	ISCC Organizational Meeting for 2005, 2006, 2007

ISCC 2004 Technical Program June 29-July 1, 2004												
	Tuesday - June 29, 2004				Wednesday, June 30, 2004				Thursday, July 1, 2004			
8.30-10.00 a.m.	Opening Session & Keynote Address "IT security, Shareholder Value and Return on Security Investments" Dr Christer Magnusson Royal Institute of Technology/Stockholm University & "Leveraging on technology and market to bring telecommunications business into the next decade" Dr. Roberto Saracco, Telecom Italia Lab, Italy				Mobile Ad-Hoc Networks (II): Routing and Resource Allocation <i>Session 7</i>	Optical Networking <i>Session 10</i>	Control and Optimization of Communication Systems <i>Session 24</i>	Service Differentiation <i>Session 26</i>	Panel Discussion The Management of Telecommunication Services Dr. Mostafa Hashem Sherif (AT&T), Dr. Amr Badawi (General Dynamic, Egypt), Dr. Tayfun Cataltepe (TT&TIM Telecommunication Services, Turkey)			
10.00-10.30 a.m.	Break				Break				Break			
10.30-12.00 p.m.	Agent Technology <i>Session 1</i>	Web Services and E-Commerce <i>Session 2</i>	Resource Allocation in Distributed Computing Systems <i>Session 3</i>	Data Mining <i>Session 4</i>	Security in Mobile Systems <i>Session 11</i>	Resource Allocation in Wireless Networks <i>Session 15</i>	Channel Fading and Modeling in Wireless Communications <i>Session 21</i>	Routing I <i>Session 27</i>	Security and Cryptography <i>Session 14</i>	Wireless Communications <i>Session 23</i>	Routing II <i>Session 28</i>	Multicast Routing <i>Session 33</i>
12.00-1.30 p.m.	Lunch Luncheon Speech: "Evolution of Egypt Telecommunications Infrastructure" Dr. Tarek Kamel, Senior Advisor to Egypt Ministry of Communications and Information Technology				Lunch Luncheon Speech: "eInfrastructures -changing the way research is done" Mr. Mario Campolargo, Head of Unit, Research Infrastructure, European Commission, Belgium				Lunch			
1.30-3.00 p.m.	Database Systems and Applications <i>Session 5</i>	Mobile Ad-Hoc Networks (I): Architectures <i>Session 6</i>	Optical Communications <i>Session 9</i>	Signal Processing <i>Session 19</i>	Security in Communication Systems <i>Session 12</i>	Wireless LANs and Hot Spot Communications <i>Session 16</i>	Mobile Communications <i>Session 22</i>	Quality of Service Provisioning and Reliability <i>Session 30</i>	QoS Provisioning in Wireless and Mobile Networks <i>Session 17</i>	Network Modeling and Analysis <i>Session 25</i>	Traffic Engineering and Bandwidth Management <i>Session 31</i>	Multicasting and Applications <i>Session 34</i>
3.00-3.30 p.m.	Break				Break				Break			
3.30-5.00 p.m.	Sensor Networks <i>Session 8</i>	Data Security Policies <i>Session 13</i>	Communication Systems <i>Session 20</i>	Distributed System Architecture and Management <i>Session 36</i>	Performance and Capacity Analysis in Wireless Systems <i>Session 18</i>	Quality of Service in Communication Networks <i>Session 29</i>	Network Architecture and Services <i>Session 32</i>	Network and Service Management <i>Session 35</i>	Best Paper Awards and Closing Remarks
